HISTORY

QUALITY

CRAFTSMANSHIP

FOR OVER 200 YEARS J.G.GLOVER & Co AND PEREGRINE HAVE BEEN CRAFTING THE HIGHEST QUALITY KNITWEAR AND OUTERWEAR IN ENGLAND.

PEREGRINE IS A BRITISH BRAND, THAT HAS BEEN LOVINGLY HANDED DOWN THROUGH EIGHT GENERATIONS OF THE GLOVER FAMILY,

THOMAS GLOVER STARTED AS A HAND FRAME KNITTER OUTSIDE LEICESTER IN 1796, PRODUCING WOOL SWEATERS FOR THE LEICESTER MARKET.

THE COMPANY EVOLVED AND BY THE EARLY 1900's, OUR WOOL GARMENTS WERE BEING EXPORTED AROUND THE WORLD WITH A STRONG FOLLOWING IN EUROPE AND AMERICA. BY THE MID 1950's THE

COMPANY EMPLOYED OVER 300 MACHINISTS MANUFACTURING FOR SOME OF THE TOP BRANDS OF THE TIME AS WELL AS PEREGRINE.

IN THE 1980's UK MANUFACTURING WAS UNDER SERIOUS THREAT FROM CHEAP IMPORTS AND THE LEICESTER TEXTILES INDUSTRY JUST ABOUT DISAPPEARED.

TODAY THE COMPANY EMPLOYS A SKILLED WORKFORCE IN OUR MANCHESTER FACTORY FOCUSING ON QUALITY GARMENTS WITH A DIFFERENCE.

MANUFACTURING QUALITY PRODUCTS THAT SUITS THE MODERN LIFE. DESIGNED AROUND THE STRONG HERITAGE OF THE BRAND, EACH GARMENT HAS IT'S OWN STORY TO TELL AND WILL KEEP YOU WARM AND DRY AS YOU MAKE YOU OWN ■

VENTURE

FOR THE MAN WHO SEEKS ADVENTURE IN THE BEAUTY OF HIS SURROUNDINGS, THE PEREGRINE AW 18/19 RANGE PROTECTS AND PROVIDES FOR WHATEVER VENTURE YOU UNDERTAKE. THE FOLLOWING IMAGES WERE SHOT ON A BRIGHT AND COLD NOVEMBER MORNING AND THE GARMENTS WERE PUT TO THE TEST AS THE GLACIAL WINDS CHASED DOWN THE RIVER SEVERN. THE RANGE IS 100% MADE IN ENGLAND, WITH THE KNITWEAR MADE FROM PURE NEW WOOL SPUN IN ENGLAND, ALONG SIDE NATURAL WOOL AND TWEED FABRICS WOVEN BY JOHN HANLEY IN NORTHERN IRELAND.

THE HARD WEARING WAXED COTTONS USED IN OUR JACKETS ARE SOURCED LOCALLY FROM BRITISH MILLERAIN & TEMPLEMOYLE. THEY HAVE BEEN PAIRED WITH BLACK HORSE LANE DENIM AND TRAKKE BAGS FROM ABERDEEN

MJ 224 Burnham jacket

WH 7858 Porter beanie

STUDIO

THE PEREGRINE STUDIO COLLECTION IS A COMPACT RANGE OF KNITS AND JACKETS DESIGNED TO COMPLEMENT THE BUSY, URBANE LIFESTYLE OF THE MODERN MAN. THE RANGE IS 100% MADE IN ENGLAND USING 18 MICRON MERINO WOOL FROM ITALY, COTTON FLANNEL FROM PORTUGAL AND UK SOURCED COTTON.

A STORY OF SUBTLE GRAPHIC DETAILING SUCH AS CHEVRONS AND DECONSTRUCTED CABLE DESIGNS FLOW THROUGH THE GARMENTS AND MARRY IN WITH THE LININGS OF THE JACKETS TO EMPHASIZE THE IDEA OF CLEAN, VERSATILE, INTERCHANGEABLE PIECES.

THE LOOKS WERE STYLED WITH TRAINERS MADE IN NORTHAMPTON, BLACK HORSE LANE DENIM AND A BAR STOOL FROM OUR LOCAL.

MJ 218 Quilted bomber jacket
